NUMB. 4072

FRIDAY, MARCH 1, 1745.

African-House, Feb. 28, 1744.

A General Court of the Royal African Company of England,

The Minutes of the last Court being read,

HE Sub-Governor acquainted the Court, that the Plan, Proposal, or Scheme, contained in the said Minutes, which were at the last Court only considered, and ordered to be published for the Information of absent Proprietors, and such other Persons as might be willing to be concerned, had been published in several Papers accordingly: And that the Court, pursuant to Adjournment, further to consider, and to come to some Resolution on the said Plan, if thought proper.

And further considered, and resolved, that the said Plan, with the said Amendment, being read at the End of the Fourth Article, in these

Words, If the Debts amount to more than 75,000 l. the Deficiency to be made good out of the 25,000 l. If less, the Proprietors of the 25,000 l. to be intitled to the Surplus.

And the said Amendment being read a Second Time,

the said Plan, with the said Amendment, being read, the Court unanimously approved thereof, and it is

Resolved, That the said Plan, or Scheme, for providing for, and discharging the Company's present Debts, and for raising a new Stock for enlarging and extending the Trade

THAT altho' the Company's Charter, for settling, Forts, Settlements, Castle-Slaves, Cannon, Ordnance, Military Stores, &c. commonly called dead, or permanent Stock, together with all their Privileges, Liberty, and Property, be of a very great Value; yet, as the said Stock for the Preservation and carrying on so valuable a Trade, it is proposed the Premises be herein valued at no more

That an exact Inventory, or Account of the Company's present Transferable Stock, Credits, and Effects, be made out, and returned to the 31st Day of December, 1744.

That new Books be opened, and a new Subscription taken for 2000 new Shares, at 100 l. per Share; and that the Transferable

Stock of the Company, for the future, do not exceed the said 2000 Shares, and no more,

That the said 2000 Shares, and the Profits thereof, be appropriated, applied, and used in Manner following; viz.

One Moiety, or 1000, of the said 2000 Shares, be subscribed for by new Proprietors, and at such Times, as shall be agreed upon, and be appropriated, applied, and used as a Trading Stock of

75000

100000

25000

Note, If the Debts amount to more than 75,000 l. the Deficiency to be made good out of the 25,000 l. If less, the Proprietors of the 25,000 l. to be intitled to the Surplus.

5. That in order to settle all former Accounts, and to prevent any ill Effects which may arise from Stock-jobbing, the Transfer-Books of the Company be shut from the

6. That as soon as the Parliament shall be pleased effectually to enable the Company to maintain and support their Forts and Settlements in Africa, for the Protection of the Trade of all his Majesty's Subjects in those Parts, and the Subscription for the first-mentioned Moiety shall be completed, there be a new Election of the Court of Assistants, and other Officers of the Company, for the remaining Part of the present Year.

7. That all future Dividends of Profits arising from the Trade, be made upon the whole 2000 Shares.

And upon further Consideration, the Court came to the following Resolution. Resolved (Nemoine contradicente) That the Court of Assistants of this Company be, and they are hereby empowered to take such Measures, and to do every Thing on their Part that lies in their Power, for carrying the above Proposal or Plan into Execution; and to affix the Seal of this Company to such Contract, Agreement or Agreements, as they shall judge proper to answer the Purposes therein mentioned.

JOHN HOPKINS, Goldsmith, at the Golden Cup in Fleetstreet, near Fleet-Bridge. Name Hopkins under, as in the Margin.

WHO, to prevent the Deceits and Impositions the most Wary are liable to in the Goldsmiths Way, from Publick Sales, Auctions, &c. (a shocking Forebode of the Destruction of Trade in general, and worthy therefore an Attention of the Legislature) has for more than Fifteen Years past, made it his principal and chief Business to deal in Second-Hand Plate, Watches, Jewels, &c. and still continues so to do, strictly observing the Method he first begun with, or selling at the most reasonable Prices.

And the continual Call he has for large Quantities of various Sorts of Second-Hand Plate, &c. gives him an Opportunity of affording most Money for the same; as does the very extraordinary Care he takes in employing the most experienced and best Workmen, enable him to serve with New Plate, Watches, Jewels, &c. to the greatest Satisfaction.

SCHWANBERG's Liquid-Shell
FOR THE
GRAVEL and STONE.
AS the Principle of Mrs. STEVENS's
MEDICINE for the GRAVEL and STONE
is well known to be the Alicant Soap and the calcin'd Shells,
which promote the Dissolution thereof, and for the Discovery
of which, the Parliament of Great Britain granted 5000 l.
and as this is esteem'd the best Medicine ever yet publish'd
in the above Cases, notwithstanding the enormous Dose, it is to
be preferr'd, that if the internal Effence, which is Salt, was
to be dissolved into a Liquid, it would be more efficacious
than the crude Medicine: Now, that there is such a Dissolu-
tion to be had, of which, from ten to thirty Drops is a pleasant
and safe Dose; those who are afflicted with the Gravel and
Stone may be convinc'd, by taking them in a Glass of gene-
rous Wine; and are so innocent, that an Infant in the Month
may take 'em.

Note, They are to be had for one Shilling and Sixpence the
small Vial, at the Golden Dove, under the Statuary's, facing
Sergeants Inn in Fleetstreet; where an Abstract of its Virtues
may be had gratis.
